## ANNUAL REPORT

OF THE

### Board of Education of the Town of Salem, N. H.

FOR THE YEAR ENDING MARCH 1, 1896.

---

The School Board, in presenting their annual report, are pleased to report that the schools have made commendable progress in the various studies.

The teachers have been earnest and enthusiastic in their work, reaping good order and training in the schools.

The teacher's task is sometimes rendered extremely difficult and unpleasant by a manifest want of co-operation on the part of parents.

The School Board are well pleased with the increase of the number of visits by the parents, and hope it will continue increasing until every parent will visit the schools at least once during the term.

We are also pleased to note that the Roll of Honor is gaining in number, there being twenty names for the year which is ten more than last year, but we have decided to make the Roll of Honor this year for all who have not been absent or tardy during one term, thinking by so doing to encourage those who have tried to be punctual during the year, but have been detained at home by unavoidable circumstances.

We congratulate the No. 6 schools in their fine new school-house.

Each school has had thirty weeks schooling during the past year. Nos. Three and Ten have had the interest of their fund in addition.

Whole number of scholars who have attended school :  
Boys 166, Girls 164, Total 330.

Scholars under ten years of age 221, scholars over ten years of age 109.

The second year of the "Salem Public Library" closed Feb. 16, 1896.

The library now contains one thousand and six (1006) volumes ; exclusive of Town, State and Provincial Papers, Agricultural reports, and many other valuable records.

The circulation the past year has been 5500 volumes, an increase over the previous year of 1200 volumes. The smallest number (57) was taken June 8, 1895, and the largest number (174) was loaned Feb. 8, 1896.

There has been added to the Library the past year 216 volumes, 186 by purchase and 30 volumes by gift.

Since the removal of the Library to its present commodious and pleasant quarters, there has been a marked increase in the interest manifested ; and it is hoped that the interest will continue to increase until every family in town will be patrons of the "Salem Free Public Library."

## TRUSTEES' REPORT.

The trustees of the Salem Free Public Library respectfully present their third annual report.

Since our last annual report, the room in the Town House, formerly occupied by the Library, has been abandoned, and new quarters taken in the building vacated by School No. 1. The Town School District at their annual meeting in March last having, by unanimous vote, granted permission to the Trustees to occupy said building for said purpose.

This room has been repaired and suitable appliances furnished, and admirably answers present needs of the Library.

The increasing interest evinced by ~~one~~<sup>our</sup> citizen demonstrates that no mistake was made in establishing the "Salem Free Public Library."

The books purchased the past year appear to have been popular with the borrowers, and the circulation has notably increased.

A popular Educator says:—

"After the sixth or seventh year in school, pupils should be able to discard the 'school readers and to use many of the excellent books for young people now published, and easily obtained. The books will serve to introduce the children into the field of literature, and to cultivate a taste for the works of our best American and English authors.'"

"The very important place which libraries occupy and are to occupy in the public culture of this country, makes

all thoughtful labor in their behalf of great interest."—  
Eaton National Committee of Education.

The town appropriated the sum of fifty dollars to aid  
the library for the year 1895. The trustees respectfully  
ask for a like sum for the year 1896.

Thanks are returned to the generous donors of money,  
books and furnishings for the library.
